Live Wire Recruitment Consultants Cookies Policy

Live Wire Recruitment Consultants is committed to protecting your personal information. This page answers some important questions about how we use cookies and how this protects your personal details.

How does Live Wire Recruitment Consultants use cookies?

Cookies are small text files placed on a website visitors' computer, which identify it to our server. Cookies don't identify individual users and are widely used in order to make websites work, or work more efficiently, as well as to provide analytical information to the owners of the site which is used to improve user experience.

By using this website, you agree to the use of cookies. Please note that certain cookies may be set the moment you visit this website. You can choose to manage the cookies we use on this website through your browser settings at any time. For more information about how to do this, and about cookies in general, you can visit www.allaboutcookies.org.

Please be aware that restricting cookies may impact the functionality of the Live Wire Recruitment Consultants website.

List of the cookies used on the Live Wire Recruitment Consultants website

Live Wire Recruitment Consultants uses Google Analytics, a web analytics service provided by Google, Inc. Google Analytics sets a cookie in order to evaluate your use of our website, which is used in an aggregate form to improve the performance and user experience on our site. Google Analytics uses only first party cookies and collects no personally identifiable information.

Google stores the information collected by the cookie on servers in the United States. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. By using the Live Wire Recruitment Consultants website, you consent to the processing of data about you by Google in the manner and for the purpose set above.

How to reject or delete this cookie

http://www.google.com/intl/en/privacypolicy.html

Strictly Necessary Cookies:
Strictly necessary cookies are essential to enable you to move around and use this website. This website uses strictly necessary cookies (specifically Drupal cookies) to:

- Identify you as being logged in to this website.
- Remembering previous actions (for example, entered text) when navigating back to a web page in the same session.

Performance Cookies:
This website uses performance cookies (specifically, Google Analytics cookies) in order to provide us with information about how this website is used, so we can keep it as up to date, relevant and error free as possible. These cookies collect information about how this website is used (for example, which pages users visit most often). These cookies don't collect information that identifies individuals.

This website uses performance cookies to:
- Gather non-user specific technical data regarding usage of this website and to provide statistics on how our website is used
- Help us improve the website by measuring any errors that occur
- Test different designs of our website

Functional Cookies
Functional cookies allow this website to remember choices you make.

This website uses functional cookies to:
Identify you as having confirmed your agreement to the use of cookies by this website
Show you when you're logged in to this website
